

All You Ever Do Is Bring Me Down

{E}I can't sleep a wink any{B}more
Ever since you first walked out the {E}door
Then I just started drinking to {B}forget
But I don't think the worst has happened {E}yet

{CHORUS}

{E}All you ever do is bring me {B}down
Making me a fool all over {E}town
They all wonder why I wear a {B}frown
That's cause honey all you ever do is bring me {E}down

{E}It's funny how my whole world fell {B}apart
I think I saw it coming from the {E}start
I tried to tell myself that you'd be {B}true
But I expected way too much of {E}you

{CHORUS}

{BREAK}
