

BACK HOME AGAIN

There's a [A]storm across the valley, [D]clouds are rollin' in
The [E]afternoon is heavy on your [A]shoulders
There's a [A]truck out on the four lane a [D]mile or more away
The [E]whinin' of his wheels just makes it [A]colder

He's an hour away from ridin' on your [D]prayers up in the sky
[E]Ten days on the road are barely [A]gone
There's a fire softly burnin', [D]supper's on the stove
But it's the [E]light in your eyes that makes him [A]warm

CHORUS:

[D]Hey it's good to [E]be back home [A]again
[D]Sometimes [E]this old farm [A]feels like a long-lost [D]friend
Yes 'n' [E]hey, it's good to be back home [A]again

There's all the news to tell him, [D]how'd you spend your time
[E]What's the latest thing the neighbors [A]say
And your mother called last friday, [D]sunshine made her cry
You [E]felt the baby move just yester[A]day

CHORUS

Bridge:

[D]Oh the time that [E]I can lay this [A]tired old body down
[Bm]Feel your fingers [E]feather soft up[A]on me
The [D]kisses that I [E]live for, the [A]love that lights my way
The [B]happiness that [B7] livin' with you [E]brings me

It's the [A]sweetest thing I know of, [D]spending time with you
It's the [E]little things that make a house a [A]home
Like a fire softly burnin' [D]supper on the stove
The [E]light in your eyes that makes me [A]warm

CHORUS 2X
