

# BACK HOME AGAIN

There's a [D]storm across the valley, [G]clouds are rollin' in  
The [A]afternoon is heavy on your [D]shoulders  
There's a [D]truck out on the four lane a [G]mile or more away  
The [A]whinin' of his wheels just makes it [D]colder

He's an hour away from ridin' on your [G]prayers up in the sky  
And [A]ten days on the road are barely [D]gone  
There's a fire softly burnin', [G]supper's on the stove  
But it's the [A]light in your eyes that makes him [D]warm

CHORUS:

[G]Hey it's good to [A]be back home [D]again  
[G]Sometimes [A]this old farm [D]feels like a long-lost [G]friend  
Yes 'n' [A]hey, it's good to be back home [D]again

There's all the news to tell him, [G]how'd you spend your time  
[A]What's the latest thing the neighbors [D]say  
And your mother called last friday, [G]sunshine made her cry  
You [A]felt the baby move just yester[D]day

CHORUS

Bridge:

[G]Oh the time that [A]I can lay this [D]tired old body down  
[G]Feel your fingers [A]feather soft up[D]on me  
The [G]kisses that I [A]live for, the [D]love that lights my way  
The [E]happiness that [E7] livin' with you [A]brings me

It's the [D]sweetest thing I know of, [G]spending time with you  
It's the [A]little things that make a house a [D]home  
Like a fire softly burnin' [G]supper on the stove  
The [A]light in your eyes that makes me [D]warm
