

Biloxi

Jesse Winchester

{G}Down around Biloxi
Pretty girls are swimming in the {C}sea
Oh, they look like sisters in the {G}ocean
The {C}boy will fill his pail with salty {G}water
And the {F}storms will blow from {C}off towards New {G}Orleans

{G}The sun shines on Biloxi
The air is filled with vapors from the {C}sea
And the boy will dig a pool beside the {G}ocean
He sees {C}creatures from a dream of the {G}water
And the {F}sun will set from {C}off towards New {G}Orleans

{F}Ahhhh {C}Ahhhh {G}Ahhhhhhhh
{F}Ahhhh {C}Ahhhh {G}Ahhhhhhhh

{G}Stars can see Biloxi
Stars can find their faces in the {C}sea
We are walking in the evening by the {G}ocean
{C}We are splashing naked in the {G}water
And the {F}sky is red from {C}off towards New {G}Orleans.

{F}Ahhhh {C}Ahhhh {G}Ahhhhhhhh
{F}Ahhhh {C}Ahhhh {G}Ahhhhhhhh
