

Choices

Capo 2 or 4

[Chorus]

I've had **[G]**choices Since the **[C]**day that I was **[G]**born
There were **[G]**voices That **[Am]**told me right from **[D]**wrong
If I had **[G]**listened No I **[C]**wouldn't be here today
[G]Living and dying With the **[D]**choices I **[G]**made

I was **[D]**tempted By an **[C]**early age I **[G]**found
I liked **[D]**drinkin' Oh, and I **[C]**never turned it **[G]**down
There were **[G]**loved ones But I **[C]**turned them all away
Now I'm **[G]**living and dying With the **[D]**choices I **[G]**made

[Chorus]

I guess I'm **[D]**payin' For the **[C]**things that I have **[G]**done
If I could **[D]**go back Oh, **[C]**Lord knows I'd **[G]**run
But I'm still **[G]**losin' This **[C]**game of life I play
[G]Living and dying With the **[D]**choices I **[G]**made

[Chorus]

[G C]

[G]Living and dying With the **[D]**choices I **[G]**made
