

Come Monday capo 2

[G]Headin' up to [C]San Francisco
[D]for the Labor Day [G]week-end show
I've got my [C]hush-puppies on. I guess I
[D]never was meant for glitter [G]rock and roll
[Am]And honey I didn't know [D]that I'd be missin' you so

CHORUS:

Come [C]Monday, it'll [G]be all right
Come [C]Monday, I'll be [D]holdin' you tight
I spent [G]four lonely [Bm]days
in this [C]brown L.A. [D]haze
And I [C]just want you [D]back by my [G]side

[G]Yes, it's [C]been quite a summer.
[D]Rent-a-cars and [G]west-bound trains
And now you're [C]off on vacation.
[D]Something you [G]tried to explain
[Am]And darlin' I love you so.
[D]That's the reason I just let you go

CHORUS:

[Amaj7]I can't [D]help it honey
[Amaj7]You're that much a [D]part of me now
[Amaj7]Remember that [D]night in Montana
When we [C]said there'd be no room for [D]doubt
[F C G F C G]

[G]I hope you're [C]enjoyin' the scen'ry.
[D]I know that it's [G]pretty up there
We can go [C]hikin' on Tuesday.
[D]With you I'd [G]walk anywhere
[Am]California has worn me quite thin.
[D]I just can't wait to see you again

CHORUS:

I spent [G]four lonely [Bm]days
in this [C]brown L.A. [D]haze
And I [C]just want you [D]back by my [F]side [C G]
