

## Forever and Ever Amen

(D)You may think that (G)I'm talking (D)foolish  
You've (G)heard that I'm wild & I'm (D)free  
You (G)may wonder how I can (D)promise you now  
This (E)love that I feel for you (A)always will be

Well you're (D)not just (G)time that I'm (D)killing  
I'm (G)no longer one of those (D)guys  
As (G)sure as I live this (D)love that I give  
Is (E)gonna be yours until the (A)day that I die -- Oh baby

### [Chorus]

(D)I'm gonna (G)love you (D)forever, (G)forever & ever (D)amen  
As (G)long as old men sit & (D)talk about the weather  
As (E)long as old women sit & (A)talk about old men  
If you (D)wonder how (G)long I'll be (D)faithful  
I'll be (G)happy to tell you (E)again  
(G)I'm gonna (A)love you (D)forever & (G)ever, for (E)ever & (A)ever (D)Amen

### G A D G E A D

They say (D)time takes it's (G)toll on a (D)body  
Makes the (G)young girls brown hair turn (D)grey  
But (G)honey, I don't care, I ain't in (D)love with your hair  
And if it (E)all fell out well I'd (A)love you anyway

They say that (D)time can play (G)tricks on a (D)memory  
Make (G)people forget things they (D)knew  
But it's (G)easy to see it's (D)happening to me  
I've (E)already forgotten every (A)woman but you --- Oh darlin'

### [Chorus]

(D)I'm gonna (G)love you (D)forever, (G)forever & ever (D)Amen  
As (G)long as old men sit & (D)talk about the weather  
As (E)long as old women sit & (A)talk about old men  
If you (D)wonder how (G)long I'll be (D)faithful  
Just (G)listen to how this song (E)ends  
(G)I'm gonna (A)love you (D)forever & (G)ever, (E)forever & (A)ever (D)Amen

(G)I'm gonna (A)love you (D)forever & (G)ever (E))forever & (A)ever  
(Bm)Forever & (G)ever For (E)ever & (A)ever Amen (D)
