

# FOX ON THE RUN

**G** **D** **Am** **C**  
She walks through the corn leading down to the river  
**Am** **D** **C** **G**  
Her hair shone like gold in the hot mornin' sun  
**G** **D** **Am** **C**  
She took all the love that a poor boy could give her  
**Am** **D** **C** **G**  
And left me to die like a fox on the run  
**C** **G**  
Like a fox, (like a fox, like a fox) on the run

[Verse 1]

**C** **G** **D** **G**  
Everybody knows the reason for the fall  
**C** **G** **A7** **D**  
When woman tempted man down in paradise hall  
**C** **G** **D** **G**  
This woman tempted me alright then took me for a ride  
**C** **G** **D** **G**  
But like a lonely fox, boys I need a place to hide

[Chorus]

**G** **D** **Am** **C**  
She walks through the corn leading down to the river  
**Am** **D** **C** **G**  
Her hair shone like gold in the hot mornin' sun  
**G** **D** **Am** **C**  
She took all the love that a poor boy could give her  
**Am** **D** **C** **G**  
And left me to die like a fox on the run  
**C** **G**  
Like a fox, (like a fox, like a fox) on the run

[Verse 2]

**C** **G** **D** **G**  
Come drink a glass of wine boys to fortify our souls  
**C** **G** **A7** **D**  
We'll talk about the world and friends we used to know  
**C** **G** **D** **G**  
I see a string of girls who have put me on the floor  
**C** **G** **D** **G**  
The game is nearly over and the hounds are at my door

[Chorus]

**G** **D** **Am** **C**  
She walks through the corn leading down to the river  
**Am** **D** **C** **G**  
Her hair shone like gold in the hot mornin' sun  
**G** **D** **Am** **C**  
She took all the love that a poor boy could give her  
**Am** **D** **C** **G**  
And left me to die like a fox on the run  
**C** **G**  
Like a fox, (like a fox, like a fox) on the run
