

# HE STOPPED LOVING HER TODAY

He said I'll love you til I [E]die.  
She told him you'll forget in [A]time  
I watched the years go slowly [B7]by  
She still preyed upon his [E]mind

He kept her picture on his [E]wall  
Went half crazy now and [A]then  
He still loved her through it [B7]all  
Hoping she'd come back [E]again  
[C]

Kept some letters by his [F]bed  
Dated 1962[Bb]  
He had underlined in [C]red  
Every single I love [F]you

I went to see him just [F]today  
Oh but I didn't see no [Bb]tears  
All dressed up to go [C]away  
First time I'd seen him smile in [F]years

CHORUS:

He stopped loving her [F]today  
They placed a wreath upon his [Bb]door  
And soon they'll carry him [C]away  
He stopped loving her [F]today

Spoken

She came to see him one last [F]time  
We all wondered if she [Bb]would  
And it kept running through my [C]mind  
This time he's over her for [F]good

Chorus:..
