

Help Me Make It Through The Night

(D)Take the ribbons from your hair
Shake it loose and let it (G)fall
Laying soft against your skin
Like the shadows on the (D)wall.

Come and lay down by my side
Till the early morning (G)light
All I'm taking is your (A)time
Help me make it through the (D)night

CHORUS:

I don't care what's right or (D)wrong
I don't want to under(A)stand
Let the devil take (B7)tomorrow
Cause right now I need a (E)friend

Yesterday is dead and (D)gone
And tomorrow's out of (G)sight
It's a shame to be (A)alone
Help me make it through the (D)night
