

Home-Grown Tomatoes - C

Ain't [C]nothin' in the world that I like better
Than [F]bacon & lettuce & home grown tomatoes
[G]Up in the mornin' out in the garden
[C]Get you a ripe one [G]don't get a hard one
[C]Plant 'em in the spring eat 'em in the summer
[F]All winter without 'em's a culinary bummer
I for[G]get all about the sweatin' & diggin'
[C]Everytime I go out and [G]pick me a big one

[CHORUS]

[C]Homegrown tomatoes home grown tomatoes
[F]Wha'd life be without homegrown tomatoes
[G]Only two things money can't buy
[C]That's true love and [G]homegrown tomatoes

I've [C]been out to eat and that's for sure
But it's [F]nothin' a homegrown tomato won't cure
[G]Put 'em in a salad put 'em in a stew
You can [C]make your very own [G]tomato juice
[C]Eat 'em with eggs eat 'em with gravy
[F]Eat 'em with beans pinto or navy
[G]Put 'em on the side put 'em in the middle
Put a [C]home grown tomato on a [G]hotcake griddle

[CHORUS]

[BREAK]

If [C]'s to change this life that I lead
[F]I'd be Johnny tomato seed
Cause [G]I know what this country needs
[C]Homegrown tomatoes in every [G]yard you see
[C]When I die don't bury me
[F]In a box in a cemetery
[G]Out in the garden would be much better
[C]I could be pushin' up [G]homegrown tomatoes

CHORUS
