

If Hollywood Don't Need You

(Honey, I Still Do)

Intro – C G Am F G C

Well you [C]know I'm not much [G]good at writin' [Am]letters
So [F]I gave up and decided that I'd [G]call
[C]Naw' there's really [G]not much new to [Am]tell you
[F]Things back here they never change at [G]all
It [Am]snowed today, its [F]cold here for [C]November
[Am]But I hear the [F]weather's warm out [G]there

CHORUS:

Oh, and [C]if you see Burt [F]Reynolds
Would you [G]shake his hand for [C]me
And tell ol' Burt , [F]I've seen all his [G]movies
Well, I [C]hope you make the [F]big time
[G]I hope your dreams come [C]true
But if [F]Hollywood don't need you
[G]Honey I still [C]do

Last [C]night I drove the [G]truck to [Am]Amarillo
Some [F]friends and I we had a laugh or [G]two
But [C]lately we don't [G]cut up like we [Am]used to
Cause [F]all that I can think about is [G]you
Well, I [Am]know this is [F]what you've always [C]wanted
But [Am]I know now that [F]all I want is [G]you

Chorus

If [F]Hollywood don't need you
[G]Honey, I still [Am]do
But if [F]Hollywood don't need you
[G]Honey I still [C]do
