

## LANDSLIDE – for Paul.

[F]I took my [E]love, I took it [D]down [E]  
[F]Climbed a [E]mountain and I turned [D]around [E]  
And I [F]saw my [E]reflection in the [D]snow-covered [E]hills  
Till the [F] landslide[E] brung it[D]down [E]

Oh, [F] mirror in the [E] sky, what is [D] love? [E]  
Can the [F] child within my [E] heart [D] rise above? [E]  
Can I [F] sail through the [E] changin' [D] ocean [E] tides?  
Can I [F] handle the [E] seasons [D] of my [E] life?  
[F] Mm [E] hmm [D] hmm [E] hmm  
[F] Mm [E] hmm [D] hmm [B]

Well, [C]I've been [B]afraid of [A]changing 'cause I've  
[F] Built my[E] life around[D] you [D] [B]  
But [F]time makes you [E]bolder, even [D]children get older  
And[F] I'm getting[E] older[D] too[E]

BREAK

Well, [C]I've been [B]afraid of [A]changing 'cause I've  
[F] Built my[E] life around[D] you [D] [B]  
But [F]time makes you [E]bolder, even [D]children get older  
And[F] I'm getting[E] older[D] too[E]  
Oh[F] I'm getting[E] older[D] too[E]

Ah [F] ah take my [E] love and take it [D] down [E]  
Ah [F] ah Climb a [E] mountain and [D] turn around [E]  
And if you [F]see my [E]reflection in the [D]snow-covered [E]hills  
Well, a [F] landslide'll [E] bring it[D]down [E]  
And if you [F]see my [E]reflection in the [D]snow-covered [E]hills (pause)  
Well, a [F] landslide'll [E] bring it[D]down [E] Oh-ohh  
Well, the [F] landslide'll [E] bring it[D]down
