

## Quit Hollerin at Me

**[Em]**I don't want your big french fry  
I don't want your car  
I don't want to buy no soap  
From no washed-up movie star  
**[Am]**You are so much louder  
Than the show I wanna hear  
With your **[Em]**sugarless gum  
Gee, but I'm dumb Non-alcoholic beer  
It's **[C]**enough to make a grown man  
Blow **[D]**up his own tv  
Quit hollerin' at **[Em]**me. Quit hollerin' at me

**[Em]**I heard you the first time  
I heard myself say  
Seems like the little woman  
Is getting bigger every day  
You don't **[Am]**have to tell the neighbors  
A little silence ain't no sin  
They al**[Em]**ready think my name is  
Where in the hell you been?  
**[C]**Louder, louder, louder, louder, **[D]**louder  
Constantly. Quit hollerin' at **[Em]**me  
Quit hollerin' at me  
**[Am]**Whoa oh whoa oh whoa oh whoa oh whoa Sweet **[Em]**serenity  
**[Am]** Whoa oh whoa oh whoa oh whoa oh **[C]**whoa **[D]**  
Quit hollerin' at **[Em]**me, Quit hollerin' at me

**[Em]**Ain't it great at the end of the day  
When there ain't no sound around  
Just me and the fence post Staring each other down  
**[Am]**Nothing but a big bunch of nothing  
Driving me insane  
Cause there **[Em]**ain't no voice that's louder  
Than the one inside my brain  
**[C]**Hey you go on Go **[D]**on and let me be  
Quit hollerin' at **[Em]**me, Quit hollerin' at me  
**[Am]**Whoa oh whoa oh whoa oh whoa oh whoa oh Sweet **[Em]**serenity  
**[Am]** Whoa oh whoa oh whoa oh whoa oh **[C]**whoa **[D]**  
Quit hollerin' at **[Em]**me, Quit hollerin' at me  
Quit hollerin' at me, Quit hollerin' at me
