

Shadows of The Past

[B]Woke up today and I was crying
Dreaming of the days when you were [E]young
[Dbm]Holding you so [E]close to [B]me
[Dbm]Trying not to [E]think of days to [F#]come
[B]Oh, those shadows of the past Just as if they happened yester[E]day
[Dbm]I still see the [E]first time that you [B]smiled at [G#m]me
My [Dbm]love for you will [F#]never fade [B]away

[G#m]Why [F#]was I [E]crying?
For [G#m]lost days and [F#]times and [E]things I'll never see a[B]gain
But [Dbm]dreams never last and [E]all I have left are [F#]memories
My [Dbm]thoughts turn back to
[E]better days and times of you and [F#]me when you were [B]young

[B]I can see you looking up to me
In your eyes unspoken [E]words
of [Dbm]love and [E]trust and [B]confidence
[Dbm]Knowing that I'll [E]never let you [F#]down
[B]"Daddy, hold me in your arms Nothing bad can happen when you [E]do
[Dbm]You're the [E]best dad [B]in the [G#m]world
[Dbm]I will [F#]always love you [B]too"

[G#m]How [F#]can I [E]tell you?
[G#m]Eventually you'll [F#]see through me and
[E]never look at me that way [B]again
But [Dbm]dreams never last and [E]all you'll have left are [F#]memories
Your [Dbm]thoughts will turn back to
[E]better days and times of you and [F#]me when you were [B]young

[B]Hold on to what you haven't lost
Treasure those moments while you [E]may
[Dbm]Share of your[E]self with [B]those you [G#m]love
[Dbm]All they'll have are [F#]memories some[B]day
