

Shadows of The Past

[G]Woke up today and I was crying
Dreaming of the days when you were [C]young
[Am]Holding you so [C]close to [G]me
[Am]Trying not to [C]think of days to [D]come
[G]Oh, those shadows of the past
Just as if they happened yester[C]day
[Am]I still see the [C]first time that you [G]smiled at [Em]me
My [Am]love for you will [D]never fade [G]away

[Em]Why [D]was I [C]crying?
For [Em]lost days and [D]times and [C]things I'll never see a[G]gain
But [Am]dreams never last and [C]all I have left are [D]memories
My [Am]thoughts turn back to
[C]better days and times of you and [D]me
when you were [G]young

[G]I can see you looking up to me
In your eyes unspoken [C]words
of [Am]love and [C]trust and [G]confidence
[Am]Knowing that I'll [C]never let you [D]down
[G]"Daddy, hold me in your arms
Nothing bad can happen when you [C]do
[Am]You're the [C]best dad [G]in the [Em]world
[Am]I will [D]always love you [G]too"

[Em]How [D]can I [C]tell you?
[Em]Eventually you'll [D]see through me and
[C]never look at me that way [G]again
But [Am]dreams never last and [C]all you'll have left are [D]memories
Your [Am]thoughts will turn back to
[C]better days and times of you and [D]me
when you were [G]young

[G]Hold on to what you haven't lost
Treasure those moments while you [C]may
[Am]Share of your[C]self with [G]those you [Em]love
[Am]All they'll have are [D]memories some[G]day
