

SILVER WINGS

[CHORUS]

[E]Silver wings shining in the sunlight
Roaring [F#m]engines headed somewhere in [B]flight
They're taking you [E]away, leaving me lonely
Silver [F#m]wings [B]slowly fading out of [E]sight

"Don't [F#m]leave me," I [B]cry
Don't [E]take that [F#m]airplane [E]ride
But you [F#m]locked me out of your mind
Left me standing here [B]behind

[Chorus]

[Instrumental]

[Same as chorus]

[E]Silver wings shining in the sunlight
Roaring [F#m]engines headed somewhere in [B]flight
They're taking you [E]away, leaving me lonely
Silver [F#m]wings [B]slowly fading out of [E]sight
Silver [F#m]wings [B]slowly fading out of [E]sight
