INTRO – 2X - Dm F Bb A

(CHORUS)

It's a **(Dm)** fine line **(F)** between **(Bb)** love and **(A)** hate.
Such a **(Dm)** fine line, **(F)** but then **(Bb)** maybe **(A)** fate
Played a **(Dm)** part **(F)** in **(Bb)** getting us **(A)** together.
(Gm) Looks like we're in for **(A)** stormy weather.

(Dm) We've been to **(F)** gether for **(Bb)** far too **(A)** long
For **(Dm)** excuses **(F)** or **(Bb)** who done who **(A)** wrong.
(Dm) You know by **(F)** now it's **(Bb)** just you and **(A)** me.
It's **(Gm)** just a simple matter of **(A)** chemistry.

(CHORUS)

(BRIDGE lead break)

3X (Gm Dm)

(Bb A) STOP

(Dm) I'd made my **(F)** choice to **(Bb)** leave you **(A)** flat.
But you **(Dm)** know, **(F)** that ain't **(Bb)** where it's **(A)** at.
(Dm) I'll love you **(F)** till the **(Bb)** very **(A)** end
But **(Gm)** you ain't never been my **(A)** friend.

(CHORUS)

(OUTRO – verse)

As many times as you want. Fade it.
