

Tulsa Time

[E]I left Oklahoma drivin' in a Pontiac
Just about to lose my [B]mind
I was goin' on to Arizona, maybe on to California
Where the people all live so [E]fine
My baby said I was crazy, my momma called me lazy
I was goin' to show 'em all this [B]time
'Cause you know I ain't no fool an' I don't need no more schoolin'
I was born to just walk the [E]line

[E]Livin' on Tulsa time Livin' on Tulsa [B]time
Well you know I've been through it
When I set my watch back to it. Livin' on Tulsa [E]time

[BREAK]

Well [E]there I was in Hollywood wishin' I was doin' good
Talkin' on the telephone [B]line
But they don't [E]need me in the movies and nobody sings my songs
Guess I'm just wastin' [B]time
Well [E]then I got to thinkin', man I'm really sinkin'
And I really had a flash this [B]time
I had no business leavin' and nobody would be grievin'
If I went on back to Tulsa [E]time

[E]Livin' on Tulsa time Livin' on Tulsa [B]time
Well you know I've been through it When I set my watch back to it
Livin' on Tulsa [E]time

[E]Livin' on Tulsa time Livin' on Tulsa [B]time
Gonna set my watch back to it Cause you know I've been through it
Livin' on Tulsa [E]time
