

Walk The Way The Wind Blows capo 2

[G]Up along the hallway, [C]down along the stairs
[D7]I can see the pictures that [G]we made down through the years
And [G]it makes me blue darling, [C]thinking of the past
[D7]I'm truly sorry [D]I couldn't make it [G]last

CHORUS:

[G]Walk the way the wind blows,
[C]cry the tears I've cried
[D7]Hoping for you darling, to [G]be here by my side
[G]I've gotta do some thinking,
[C]Where do we go from here
[D7]Walk the way the wind blows
[D]wipe away my [G]tears

[Break]

[G]I remember darlin', when [C]you first came to me
[D7]All the air was sweet then, and [G]all our time was free
[G]Like the leaves that wither, [C]our hearts fell away
[D7]I think I'll just go out alone, [D]walk my blues away

CHORUS:

[Key Change]

[A]Walk the way the wind blows, [D]cry the tears I've cried
[E7]Hoping for you darling, to [A]be here by my side
[A]I've gotta do some thinking, of [D]where to go from here
[E7]Walk the way the wind blows, [E]wipe away the [A]tears
[E7]Walk the way the wind blows, [E]wipe away the [A]tears
