

## Wide Open Spaces -for Paul

Intro - [E Db E A B E]

[E]Who doesn't [Db]know what I'm [E]talking about  
[E]Who's never left [Db]home, who's never [E]struck out  
To find a [A]dream and a life of their [E]own  
A [A]place in the clouds, a [B]foundation of stone

[E]Many [Db]preceed and many will [E]follow  
[E]A young girl's [Db]dream no longer [E]hollow  
It takes the [A]shape of a place out [E]west  
But what it [A]holds for her, she hasn't [B]guessed yet

[CHORUS 1]

She needs [E]wide [F#m]open [A]spaces [B]  
[E]Room to [F#m]make her big [A]mistakes [B]  
She needs [E]new[F#m][A]faces  
She [B]knows the high [E]stakes[F#m A B]

[E]She traveled this [Db]road as a [E]child  
Wide eyed and [Db]grinning, she never [E]tired  
But now she [A]won't be coming back with the [E]rest  
If these are [A]life's lessons, she'll take the [B]test

[CHORUS 2]

She needs [E]wide [F#m]open [A]spaces [B]  
[E]Room to [F#m]make her big [A]mistakes [B]  
She needs [E]new[F#m][A]faces  
She [B]knows the high [E]stakes  
She [F#]knows the high stakes[A B]

[E]As her folks drive [Db]away,  
her dad yells, [E]"Check the oil!"  
Mom stares out the [Db]window and says,  
"I'm [E]leaving my girl"  
She said, "It [A]didn't seem like that long [E]ago"  
When she [A]stood there and let her [B]own folks know
