

You're My Best Friend

[E]You placed gold [B7]on my [E]finger
You brought [A]love like I've never [E]known
You gave life to our [A]children
And to [E]me a [B7]reason to go [E]on

You're my bread when I'm hungry
You're my [B7]shelter from troubled [E]winds
You're my anchor[E7] in life's [A]ocean
But most of [E]all [B7]you're my best [E]friend

When I need hope [B7]and inspi[E]ration
You're always [A]strong when I'm tired and [E]weak
I could search this whole world [A]over
You'd still be [E]every[B7]thing that I [E]need

You're my bread when I'm hungry
You're my [B7]shelter from troubled [E]winds
You're my anchor[E7] in life's [A]ocean
But most of [E]all [B7]you're my best [E]friend

{BREAK – same as CHORUS}

You're my bread when I'm hungry
You're my [B7]shelter from troubled [E]winds
You're my anchor[E7] in life's [A]ocean
But most of [E]all [B7]you're my best [E]friend
