

# I Will Always Love You - G

If [G]I should stay  
I would [Em]only be in your [C]way [D]  
So I'll [G]go, but I know  
I'll [Em]think of you each step of the [C]way [D]

[Chorus]  
And [G]I [Em C]will [D]always love [G]you [Em]  
I will [C]always [D]love [G]you

[Verse 2]  
Bitter[G]sweet memories  
That's [Em]all I am taking with [C]me [D]  
[G]Goodbye, please don't cry  
We both [Em]know that I'm not what you [C]need [D]

[Chorus]  
And [G]I [Em C]will [D]always love [G]you [Em]  
I will [C]always [D]love [G]you

[Bridge]  
I hope [G]life treats you kind  
And I [Em]hope that you have all  
That you've [C]dreamed [D]of  
And I [G]wish you joy and happiness  
But [Em]above all of this, I wish you [C]love [D]

[Chorus]  
And [G]I [Em C]will [D]always love [G]you [Em]  
I will [C]always [D]love [G]you [Em]  
I will [C]always [D]love [G]you
