

# If I Needed You

Capo 5 play G

If I [G]needed you would you come to me,  
Would you come to [C]me for to [D]ease my [G]pain?  
If you needed me I would come to you  
I would swim the [C]seas for to [D]ease your [G]pain

In the night forlorn the morning's born  
And the morning [C]shines with the [D]lights of [G]love  
You will miss sunrise if you close your eyes  
That would [C]break my [D]heart in [G]two

If I [G]needed you would you come to me,  
Would you come to [C]me for to [D]ease my [G]pain?  
If you needed me I would come to you  
I would swim the [C]seas for to [D]ease your [G]pain

[BREAK]

The lady's [G]with me now since I showed her how  
To lay her [C]lily [D]hand in [G]mine  
Loop and Lil agree she's a sight to see  
And a treasure [C]for the [D]poor to [G]find

If I [G]needed you would you come to me,  
Would you come to [C]me for to [D]ease my [G]pain?  
If you needed me I would come to you  
I would swim the [C]seas for to [D]ease your [G]pain
