

Seven Bridges Road

[D]There are [C]stars in the [G]southern [D]sky
[D]Southward [C]as you [G]go [D]
[D]There is [C]moonlight and [G]moss in the [D]trees
Down the [D]Seven [C]Bridges [G]Road [D]

[D]Now I have [C]loved [G]you like a [D]baby
[D]Like some [C]lonesome [G]child [D]
And [D]I have [C]loved [G]you in a [D]tame way
And [D]I have [C]loved you [G]wild [D]

[C]Sometimes there's a [D]part of me
Has to [C]turn from here and [D]go
[C]Running like a child from [D]these warm stars
Down the [D]Seven [C]Bridges [G]Road [D]

[A Cappella]

There are stars in the southern sky
And if ever you decide you should go
There is a taste of thyme sweetened honey
Down the Seven Bridges Road
