

# You Are My Sunshine

[E]The other night dear, as I lay sleeping[E7]  
I dreamed I [A]held you in my [E]arms  
But when I [A]woke, dear, I was mis[E]taken  
So I hung my [B7]head and I [E]cried.

CHORUS:

You are my [E]sunshine, my only sunshine[E7]  
You make me [A]happy when skies are [E]gray  
You'll never [A]know dear, how much I [E]love you  
Please don't take my [B7]sunshine away[E]

I'll always [E]love you and make you happy[E7]  
If you will [A]only say the [E]same.  
But if you [A]leave me and love [E]another  
You'll regret it [B7]all some [E]day

CHORUS:

You told me [E]once, dear, you really loved me[E7]  
And no one [A]else could come [E]between.  
But now you've [A]left me and love [E]another  
You have shattered [B7]all of my [E]dreams

CHORUS:

In all my [E]dreams, dear, you seem to leave me[E7]  
When I [A]awake my poor heart [E]pains.  
So when you [A]come back and make me [E]happy  
I'll forgive you [B7]all the [E]pain.

CHORUS:
