

# Rainbow

D Bm G D D Bm Asus4 A

[D]When it rains it [Bm]pours but you [Gsus2]didn't even [D]notice  
It ain't [D]rainin' anymore[Bm],  
it's hard to [Gsus2]breathe when all you [Asus4]know[A] is  
The [Bm]struggle of [F#]staying above the [Bm]rising [Bm/A]water [E]line

## [Chorus 1]

Well, the [D]sky is finally [Bm7]opened,  
the [G]rain and wind stopped [D]blowin'[D/C#]  
But you're [Bm]stuck out in the [E]same old storm [A]again[Asus4 A]  
You hold [D]tight to your [Bm7]umbrella, but darlin' [G]I'm just tryin' to [D]tell ya  
That there's [Bm7]always been a [D]rainbow hangin' [A]over your [D]head

If you could [D]see what I [Bm]see, you'd be [Gsus2]blinded by the [D]colours  
Yellow, [D]red and orange and [Bm]green,  
and at [Gsus2]least a million [Asus4]others[A]  
So tie [Bm]up the bow, take [F#]off your coat and [Bm]take a [Bm/A]look [E]around

## [Chorus 1]

**Bm G D**  
**Bm G Asus4 A**

## [Bridge]

So tie [Bm]up the bow, take [F#]off your coat  
and [Bm]take a [Bm/A]look [E]around  
Every[F#m]thing is [G]alright now

## [Chorus 2]

Cause, the [D]sky is finally [Bm7]opened,  
the [G]rain and wind stopped [D]blowin'[D/C#]  
But you're [Bm]stuck out in the [E]same old storm [A]again[Asus4 A]  
Let [D]go of your [Bm7]umbrella, cause darlin' [G]I'm just tryin' to [D]tell ya  
That there's [Bm7]always been a [D]rainbow hangin' [A7]over your [D]head  
Yeah there's [Bm7]always been a [D]rainbow hangin' [A]over [PAUSE] your [D]head

## [Bm G D D/C#]

It'll [Bm]all be [E]alright..[Asus4 A D].
