

## Wide Open Spaces

Capo 2 - [D G/B D G A D]

[D]Who doesn't [G/B]know what I'm [D]talking about  
[D]Who's never left [G/B]home, who's never [D]struck out  
To find a [G]dream and a life of their [D]own  
A [G]place in the clouds, a [A]foundation of stone

[D]Many [G/B]preceed and many will [D]follow  
[D]A young girl's [G/B]dream no longer [D]hollow  
It takes the [G]shape of a place out [D]west  
But what it [G]holds for her, she hasn't [A]guessed yet

[CHORUS 1]

She needs [D]wide [Em]open [G]spaces [A]  
[D]Room to [Em]make her big [G]mistakes [A]  
She needs [D]new[Em][G]faces  
She [A]knows the high [D]stakes[Em G A]

[D]She traveled this [G/B]road as a [D]child  
Wide eyed and [G/B]grinning, she never [D]tired  
But now she [G]won't be coming back with the [D]rest  
If these are [G]life's lessons, she'll take the [A]test

[CHORUS 2]

She needs [D]wide [Em]open [G]spaces [A]  
[D]Room to [Em]make her big [G]mistakes [A]  
She needs [D]new[Em][G]faces  
She [A]knows the high [D]stakes  
She [Em]knows the high stakes[G A]  
[D G/B D G A D]

[D]As her folks drive [G/B]away,  
her dad yells, [D]"Check the oil!"  
Mom stares out the [G/B]window and says,  
"I'm [D]leaving my girl"  
She said, "It [G]didn't seem like that long [D]ago"  
When she [G]stood there and let her [A]own folks know

[CHORUS 2]
