Intro - G C/G G G C/G G

Oh, I'm [Em]sailin' away my [C]own true [G]love,[C/G G]
I'm [Em]sailin' [D/F#]away in the [G]morning. [C/G G]
Is there [Em]something I can send you from [C]across the [G]sea, [C/G G]
From the [Em]place that [D/F#]I'll be [G]landing?[C/G G]

No, there's [Em]nothin' you can send me, my [C]own true [G]love[C/G G]
There's [Em]nothin' I [D/F#]wish to be [G]ownin'[C/G G].
Just [Em]carry yourself back to [C]me un[G]spoiled,[C/G G]
From [Em]across that [D/F#]lonesome [G]ocean.[C/G G]

Oh, but I just [Em]thought you might [C]want something [G]fine[C/G G]
[Em]Made of [C]silver or of [G]golden,[C/G G]
Either [Em]from the mountains [C]of Mad[G]rid[C/G G]
Or [Em]from the [D/F#]coast of Barce[G]lona.[C/G G]

Oh, but if [Em]I had the stars from the [C]darkest [G]night[C/G G]
And the [Em]diamonds [D/F#]from the deepest [G]ocean,[C/G G]
I'd [Em]forsake them all for [C]your sweet [G]kiss,[C/G G]
For that's [Em]all I'm [D/F#]wishin' to be [G]ownin'.[C/G G]

That I [Em]might be gone a [C]long [G]time[C/G G]
And it's [Em]only [D/F#]that I'm [G]askin',[C/G G]
Is there [Em]something I can send you to [C]remember me [G]by,[C/G G]
To [Em]make your [D/F#]time more easy [G]passin'.[C/G G]

Oh, [Em]how can, [C]how can you ask me [G]again,[C/G G]
It [Em]only [D/F#]brings me [G]sorrow.[C/G G]
The [Em]same thing I want from [C]you to[G]day,[C/G G]
I would [Em]want [D/F#]again to[G]morrow.[C/G G]

I [Em]got a letter on a [C]lonesome [G]day,[C/G G]
It was [Em]from her [D/F#]ship a-[G]sailin',[C/G G]
Saying [Em]I don't know when I'll be [C]comin' back [G]again,[C/G G]
It de[Em]pends on [D/F#]how I'm a-[G]feelin'.[C/G G]

Well, if [Em]you, my love, must [C]think that-a-[G]way,[C/G G]
I'm [Em]sure your [D/F#]mind is [G]roamin'. [C/G G]
I'm [Em]sure your heart is [C]not with [G]me,[C/G G]
But with the [Em]country to [D/F#]where you're [G]goin'.

So take [Em]heed, take heed of the [C]western [G]wind,[C/G G]
Take [Em]heed of the [D/F#]stormy [G]weather.[C/G G]
And [Em]yes, there's something you can [C]send back to [G]me,[C/G G]
