

# Cold Cold Heart - in D

I've [D]tried so hard my dear to show  
That you're my every [A]dream  
Yet you're afraid each thing I do  
Is just some evil [D]scheme  
A memory from your lonesome past  
Keeps us so far [G]apart  
Why [A]can't I free your doubtful mind  
And melt your cold, cold [D]heart

[D]Another love before my time  
Made your heart sad an' [A]blue  
And so my heart is paying now  
For things I didn't [D]do  
In anger, unkind words are said  
That make the teardrops [G]start  
Why [A]can't I free your doubtful mind  
And melt your cold, cold [D]heart

There [D]was a time when I believed  
That you belonged to [A]me  
But now I know your heart is shackled  
To a memo[D]ry  
The more I learn to care for you  
The more we drift [G]apart  
Why [A]can't I free your doubtful mind  
And melt your cold, cold [D]heart

Why [A]can't I free your doubtful mind  
And melt your cold, cold [D]heart
