

## Columbus Stockade Blues

[Am]Way down in Columbus, Georgia  
I [E]want to be back in Tennes[Am]see  
Way down in Columbus Stockade  
[E]Friends all turned their backs on [Am]me

CHORUS:

[Dm]Go and leave me if you [Am]wish to  
[Dm]Never let it cross your [E]mind  
If in your [Am]heart you love another  
[E]Leave me little darling, I don't [Am]mind

CHORUS:

Last [Am]night as I lay sleeping  
I [E]dreamt I held you in my [Am]arms  
When I [Am]awoke I was mistaken  
[E]I was peering through the [Am]bars

CHORUS:

Many a [Am]night with you I've rambled  
[E]Many an hour with you I've [Am]spent  
Thought I [Am]had your heart forever  
[E]Now I find it's only [Am]lent
