

Crying My Heart Out Over You

[G]Off somewhere the music's playing soft and [D] low
And [Am]another holds the [D]one that I love [G]so.
I was blind I could not [G7] see, that you
[C]meant the world to [Am]me,
And [D] like a fool I [D7]stood and watched you [G] go.

Chorus:

[G] Now I'm crying my heart out over [D] you
[Am] Those blue eyes now they
[D] smile at someone [G] new.
Ever since you went [G7] away,
I die a [C] little more each [Am]day,
'Cause I'm [D] crying my [D7]heart out over [G] you.

Break

[G]Each night I climb the stairs up to my [D]room
It [Am]seems I hear you [D]whispering in the [G]gloom
I miss your picture on the [G7]wall,
and your [C]footsteps in the [Am]hall
While I'm [D]crying my heart out over [G]you.

Chorus:
