

EVERYBODY KNOWS

Everybody (**Am**)knows that the dice are loaded.
Everybody (**F**)rolls with their fingers crossed. Everybody (**Am**)knows the war is over.
Everybody (**F**)knows the good guys lost. Everybody (**Dm**)knows the fight was (**E**)fixed:
The poor stay (**G**)poor, the rich get [**Am**]rich.
That's how it (**Bb**)goes. (**E**) Everybody (**Am**)knows.

Everybody (**Am**)knows that the boat is leaking.
Everybody (**F**)knows the captain lied. Everybody (**Am**)got this broken feeling
like their (**F**)father or their dog just died.
Everybody (**Dm**)talking to their (**E**)pockets. Everybody (**G**)wants a box of (**Am**)choc'lates
and a long stem (**Bb**)rose. (**E**) Everybody (**Am**)knows.

Everybody (**Am**)knows that you love me, baby. Everybody (**F**)knows that you really do.
Everybody (**Am**)knows that you've been faithful, (**F**)give or take a night or two.
Everybody (**Dm**)knows you've been discrete, (**E**)
But there were so many (**G**)people you just had to (**Am**)meet
without your (**Bb**)clothes. (**E**) And everybody (**Am**)knows.

{C:Chorus:}

Everybody (**Am**)knows. Everybody (**G**)knows. That's how it (**E**)goes. Everybody (**Am**)knows.
Everybody (**Am**)knows Everybody (**G**)knows That's how it (**F**)goes (**E**)Everybody (**Am**)knows

And everybody (**Am**)knows that it's now or never.
Everybody (**F**)knows that's me or you.
And everybody (**Am**)knows that you live forever
when you've (**F**)done a line or two.
Everybody (**Dm**)knows the deal is (**E**)rotten:
Old black (**G**)Joe's still picking (**Am**)cotton
for your ribbon and (**Bb**)bows(**E**). And everybody (**Am**)knows.

Everybody (**Am**)knows that the plague is coming.
Everybody (**F**)knows that it's moving fast.
Everybody (**Am**)knows that the naked man and woman
are just a (**F**)shining artifact of the past.
Everybody (**Dm**)knows the scene is (**E**)dead,
But there's gonna be a (**G**)meter on your (**Am**)bed
that will dis(**Bb**)close(**E**) What everybody (**Am**)knows.

And everybody (**Am**)knows that you're in trouble.
Everybody (**F**)knows what you've been through,
to the (**F**)beach of Malibu.

Everybody (**Dm**)knows it's coming a(**E**)part:
Take one (**G**)last look at this sacred (**Am**)heart
before it (**Bb**)blows. (**E**) And everybody (**Am**)knows.
