Capo 3

[G]Christopher [Am]Robin and [Bm]I walked a[Em]long
under [C]branches lit [D]up by the [G]moon.
[G]Posing our [Am]questions to [Bm]owl and ee[Em]yore
as our [C]days disap[D]peared all too [G]soon.
But I've [Em]wandered much further to[Bm]day than I should
and I [C]can't seem to find my way [Am]back to the [D]wood.

CHORUS:
So, [G]help me [Bm]if you [Am]can I've [D]got to [C]get
[G]back to the [Bm]house at Pooh [Am]corner by [D]one.
[G]You'd be sur[Bm]prised there's so [Am]much to be [D]done [C],
[Bm]count all the bees in the [G]hive,
[Bm]chase all the clouds from the [Em]sky.
[C]Back to the [Bm]days of [Em]Christopher Robin and [Fmaj7]Pooh.

[G]Winnie the [Am]Pooh doesn't [Bm]know what to [Em]do,
got a [C]honey jar [D]stuck on his [G]nose.
[G]He came to [Am]me asking [Bm]help and [Em]advice
and from [C]here no one [D]knows where he [G]goes.
So I [Em]sent him to ask of the [Bm]Owl if he's there,
how to [C]loosen a jar from the [Am]nose of a [D]bear

CHORUS:

[G]back to the [Bm]house at Pooh [Am]corner by [D]one.
[G]You'd be sur[Bm]prised there's so [Am]much to be [D]done [C],
[Bm]count all the bees in the [G]hive,
[Bm]chase all the clouds from the [Em]sky.
