

# Long Monday

(G)You and me (C)sittin' in the back my (G)memory  
Like a honey bee (C)buzzin' 'round a glass of (G)sweet Chablis  
(D)Radio's on (C)windows rolled up and my (G)mind's rolled down  
(D)Headlights shining like (C)silver moons rollin' (G)on the ground

(G)We made love in (C)every way love (G)can be made  
We made time (C)look like time could (G)never fade  
(D)Friday Night (C)we both made the (G)guitar hum  
(D)Saturday made (C)Sunday feel like it would (D)never come

CHORUS:

Gonna be a (G)long Monday  
(C)Sittin' all alone on a mountain  
By a river that (G)has no end  
Gonna be a long Monday  
(D)Stuck like the tick of a clock  
That's come (C)unwound – (G)again

(G)Soul to soul (C)heart to heart and (G)cheek to cheek  
Come on baby (C)give me a kiss that'll (G)last all week  
The (D)thought of you (C)leavin' again (G)brings me down  
The (D)promise of (C)your sweet love brings (D)me around

Gonna be a (G)long Monday  
(C)Sittin' all alone on a mountain  
By a river that (G)has no end  
Gonna be a long Monday  
(D)Stuck like the tick of a clock  
That's come (C)unwound – (D)again  
And (G)again
