

Simple Song – Capo 5

[Am]It's a simple [C]song for a simple [G]feeling
[Am]You see the [C]moon and watch it [E7]rise
[F]Across the [C]continent the [G]night bird sings
[Am]And somewhere [E7]someone hears it's [Am]cry
[Am C G Am E7 Am]

[Am]So disillusioned [C]Keep your [G]head down
[Am]If you [C]do they'll never [E7]know
[F]You'll have no [C]answers to their [G]questions
[Am]And they will [E7]have to let you [Am]go
[Am C G Am E7 Am]

[Am]And disen[C]franchised Revo[G]lution
[Am]They'll take [C]away by right what's [E7]yours
[F]And make you [C]martyrs of your own [G]cause
[Am]When they don't [E7]know what cause it's [Am]for
[Am C G Am E7 Am]

[Am]And all [C]deserted Stand [G]alerted
[Am]They'll love you [C]when you're all [E7]alone
[F]But you find [C]red rose in the [G]morning light
[Am]You wait the [E7]night and find it [Am]gone
[Am C G Am E7 Am]

[Am]So hear my [C]words with faith and [G]passion
[Am]For what I [C]say to you is [E7]true
[F]And when you [C]find the one you [G]might become
[Am]Remember [E7]part of me is [Am]you
[Am C G]
[Am]Remember [E7]part of me is [Am]you
[Am]Remember [E7]part of me is [Am]you
[Am C G Am E7 Am]
