

## Wayfaring Stranger

Intro - Em Am Em Am B7 Em

I'm just a [Em]poor [Am]wayfaring [Em]stranger  
travelin' [Am]through this world of [Em]woe  
but there's no sickness [Am]toil, or [Em]danger in  
that bright [Am]land [B7]to which I [Em]go  
I'm goin' [C]home to see my [G]mother.  
I'm going [C]home [G] no more to [B7]roam  
I am just [Em]goin' [Am]over [Em]Jordan.  
I am just [Am]going [B7]over [Em]home

[BREAK]

I know dark [Em]clouds [Am]will gather [Em]'round me.  
I know the [Am]way is rough and [Em]steep  
But golden [Em]fields [Am]lie out [Em]before me  
where weary [Am]eyes [B7]no more will [Em]weep  
I'm goin' [C]home to see my [G]father.  
I'm going [C]home [G] no more to [B7]roam  
I am just [Em]goin' [Am]over [Em]Jordan.  
I am just [Am]going [B7]over [Em]home

[BREAK]

I'll soon be [Em]free [Am]from these earthly [Em]trials,  
This body [Am]rest beneath the [Em]sod  
I'll drop this cross of self-denial and  
enter [Am]in [B7]that home with [Em]God  
I'm goin' [C]home to see my [G]Savior.  
I'm going [C]home [G] no more to [B7]roam  
I am just [Em]goin' [Am]over [Em]Jordan.  
I am just [Am]going [B7]over [Em]home  
I am just [Em]goin' [Am]over [Em]Jordan.  
I am just [Am]going [B7]over [Em]home
