

We May Never Pass This Way Again

Life, so they say
Is but a game and they let it slip away
Love, like the autumn sun
Should be dyin' but it's only just begun
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears
All the years that come and go
Take us up, always up

Chorus:
We may never pass this way again [4X]

Verse 2:
Dreams, so they say
Are for fools and they let 'em drift away
Peace, like the silent dove
Should be flyin' but it's only just begun
Like Columbus in the olden days
We must gather all our courage
Sail our ships out on the open seas
Cast away our fears and
All the years that come and go
Take us up, always up

[repeat chorus]

(So) I wanna laugh while the laughin' is easy
I wanna cry when it makes it worthwhile
I may never pass this way again
That's why I want it with you

('Cause) You make me feel like I'm more than a friend
Like I'm the journey and you're the journey's end
I may never pass this way again
That's why I want it with you.
