

ROLL MUDDY RIVER

(CHORUS)

(G)Roll, muddy river, roll on, muddy river, roll (F)on (D)

(G)I've got a notion you'll go to the ocean (F)alone (D)

(C)Cause I've got a baby in Tennessee

Who's (G)long been awaiting for little old me

So, (D)roll, muddy river, roll (C)on, muddy river, roll (G)on

(C)Three long months on a sand barge tour

(D)How much more can a man endure

(C)It's high time I was (G)home for sure

So (D)roll, muddy river, roll (C)on muddy river, roll (G)on

(CHORUS)

(C)New Orleans on to old St.Lou

(D)Stopped by Memphis, Minneapolis, too

(C)Back in Nashville (G)I'll be through

So (D)roll, muddy river, roll (C)on muddy river, roll (G)on

(CHORUS)

(C)I love you but just call it fate

(D)You and I are gonna separate

(C)You'll be here but (G)she won't wait

So (D)roll, muddy river, roll (C)on muddy river, roll (G)on

(CHORUS)
